The earliest your coverage will begin is the first or 15th of the month following receipt of a completed application and first month's premium. Coverage will not be back-dated.

Has any applicant ever been a Kaiser Permanente of Georgia member? Yes No **If Yes, please be sure you have written their prior Kaiser Permanente Health Record Number (HRN), if known, in the "Prior HRN" box on page 1.**

If you are adding a new member to your current plan, please note:

- If the family member you are adding is the oldest member of your family on the plan, this person will become the Primary Subscriber. Your monthly premium will be based on the age of the new, older family member (Primary Subscriber), and your new contract period will be based on the effective date of this new, older member.

What if all family members are not accepted?

Because all Applicants applying for a KPIF plan are subject to medical review, there is the possibility that one or more members of a family (except for any eligible Applicant under the age of 19 who must be accepted under applicable law) may not qualify for the plan for which they apply. We can only accept dependents under the age of 19 when a parent is approved and enrolled in a family plan. Please enroll all eligible family members.

Please cancel the enrollment process for any accepted family members and return my first month's premium check.

5. APPLICATION AGREEMENT

I hereby apply for enrollment and I agree that the information listed is correct. Upon acceptance to the Health Plan, my enclosed check for the first month's premium will be deposited or my credit card charged, and my coverage will begin on the first or 15th day of the month as assigned by Health Plan.

THIS AGREEMENT IS SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS:

1. We may rescind coverage once you or your family member is covered, if you or your family member make an intentional misrepresentation of material fact in the medical questionnaire. (See #3 for details). If you are unsure of your medical condition, please ask your current or previous physician to clarify your specific condition.

2. YOU MUST IMMEDIATELY INFORM US if your health status or current medication changes at any time before your membership with Kaiser Permanente becomes effective. Failure to inform us of such changes can void your membership. You can choose to update your application information by telephone **(404) 364-7001** (option 2), by fax **(404) 365-4146**, or by writing us at Kaiser Permanente for Individuals and Families; 3495 Piedmont Road, NE; Building 9; Atlanta, GA 30305. All written and fax correspondences must be signed and dated.

3. We may rescind your coverage or that of your family member if the Applicant (or person seeking coverage on behalf of the Applicant) performs an act, practice or omission that constitutes fraud or makes an intentional misrepresentation of material fact. "Making an intentional misrepresentation of material fact" includes intentionally providing incomplete or incorrect information about health history or status of any person applying for coverage on this Application, and such information was the basis for our decision to accept you or your

family member for coverage. Rescinding coverage means completely voiding the member's contract of coverage as if no coverage had ever existed.

Once we decide to rescind coverage, we will send you a written notice at least 30 days before we actually rescind, explaining the basis for our decision and how you can appeal it. Once coverage is rescinded, you will be required to pay for any Services we may have covered. But you would also be entitled to a refund of any Premiums paid. This means that Premium refunded would be reduced by any amounts you owe for any covered Services you received.

4. Our decision to accept you or your family member (except for any eligible Applicant under the age of 19 who must be accepted under applicable law) for coverage will be made after we have reviewed the medical history information pertaining to you and any other Applicant disclosed in Section 4 of this application. We can only accept dependents under the age of 19 when a parent is approved and enrolled in a family plan.

5. Georgia residents who do not qualify for Kaiser Permanente for Individuals and Families and are not current Kaiser Foundation Health Plan members may be eligible to participate in the State of Georgia Health Insurance Assignment System, a state-sponsored guaranteed-issue health care coverage program in which Kaiser Permanente participates. For more information, call **1-800-656-2298**. Georgia residents who do not qualify for Kaiser Permanente for Individuals and Families and who are current Kaiser Foundation Health Plan group members can choose to be considered for our conversion products, one of which is available to HIPAA-qualified individuals. If you wish to exercise that option, please contact our Customer Service Department at **(404) 261-2590** to obtain an application.
